

ZOLON

Station

L1400

Simple Outside, Power Inside

Elegant and Powerful

L1400 comes in a durable aluminum body with an ultra-thin design and a 14" wide enough display to catch every information you need.

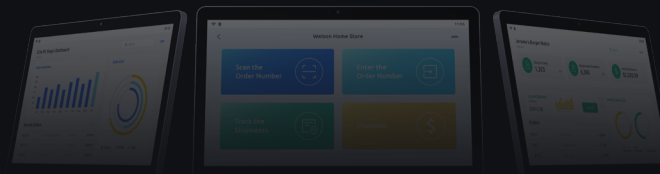

Do It All in One Place

L1400 can help you run your business in much smarter ways by offering a single platform that integrates all the modern functionalities you may need to gain total control with ease.

Make Business Smarter

Unlock more intelligent businesses with Station to streamline store management and transform a better retail experience.

As Flexible as Your Imagination

L1400 can work as a core body or pair with different payment modules and peripherals. Connections are effortless through Wi-Fi®, Ethernet, USB Hub, and pogo pins.
