## A Scanner and More

### A Magic Eye That Looks, Listens and Talks

Elys Eye is a magic tool you can carry on the move. It's a powerful unit that combines an advanced camera, HD touch screen, and an inbuilt speaker, functioning as a walkie-talkie for instant communication.

### Simply Magical

Elys Eye is born to impress you with just a click to connect to the Elys Station. You can use the back camera to scan, shoot or film any items and have their information automatically appear on your Elys Station.

### Flexible Connectivity

Sync and share on the go, Elys Eye is always connected through Wi-Fi and **Bluetooth®**, facilitating in-store communication and operation.
